# Stylish and supremely comfortable home cinema seats

To enjoy the perfect home cinema experience, you need a great place to sit. Ergonomically designed, beautifully finished and complete with all the right features, Signature home cinema seats provide the perfect combination of style and value.

Signature home cinema seats are designed to give an incredible performance every time the opening credits roll. With three different models to choose from, all of which are available in a range of colours, with a Signature home cinema seat you'll always have the best seat in the house.

## CLUB

---

Quality and value combine with the Signature Club seat, an affordable home cinema seat that folds to create a compact footprint.

Whilst the entry-level seat in the Signature series, the Club seat offers class-leading levels of comfort.

As with traditional cinema seats the Club seat folds when not in use, creating a compact footprint that saves space. Cup holders are integrated into both arm rests.

The Club seat is finished in high quality faux leather and is available in a selection of different colours. Black and Anthracite are standard colours, with Cream and Brown available by special order.

### Key features:

- Finished in high quality faux leather
- Space-saving folding seat
- Integrated cup holders in both arm rests

## PREMIÈRE

---

The star of the show, the Première is the original Signature home cinema seat, with a high quality finish, integrated cup holder and full electric adjustment.

Beautifully finished in a mixture of high quality leather and faux leather, the Première is a stylish and supremely comfortable seat.

The seat back inclines rather than reclines to save space, and can be adjusted to suit your desired position at the touch of a button, together with the footrest which rises from the base. Cup holders are integrated into both arm rests

The Première seat is available in a selection of different colours. Black and anthracite are standard colours, with Cream and Brown available by special order.

Multiple seats can be connected using the optional linking armrests.

### Key features:

- Finished in a mixture of high quality leather and faux leather
- Full electric push-button adjustment
- Footrest
- Integrated cup holders in both arm rests

## DUO

---

Perfect for sharing, the Signature Duo is the two person home cinema seat with independent electric adjustment.

Based on the popular Première seat, the Duo is a stylish home cinema seat made for two.

Both seat backs incline rather than recline to save space and, along with the footrests that rise from the base, they can be independently adjusted at the touch of a button to ensure that each person can find their most comfortable position. Cup holders are integrated into both arm rests

The Duo seat is available in a selection of different colours. Black and Anthracite are standard colours, with Cream and Brown available by special order.

### Key features:

- Finished in a mixture of high quality leather and faux leather
- Independent, full electric push-button adjustment
- Footrests
- Integrated cup holders in both arm rests
